Professional Summary

Final-year **B.Tech Information Technology** student passionate about **Data Analysis and Business Intelligence**. Skilled in **Python, SQL, Power BI, and Tableau**. Experienced in **data cleaning, exploratory data analysis (EDA), and data visualization** to transform raw datasets into meaningful insights.

Skills

Programming Languages: Python, SQL, JavaScript

Web Development: HTML, CSS, Flask

Data Analysis & Machine Learning: Pandas, NumPy, Scikit-learn, Data Cleaning, EDA

Visualization Tools: Power BI, Tableau, Matplotlib, Seaborn

Database: MySQL

Version Control: Git, GitHub

Soft Skills: Problem Solving, Analytical Thinking, Communication, Team Collaboration

Projects

Netflix Content Trend Analysis *Python, Pandas, Matplotlib, Seaborn*

- Analyzed 8800+ Netflix titles dataset to explore global content distribution.
- Performed data cleaning and handled missing values and duplicates.
- Conducted exploratory data analysis on genre popularity and release year trends.
- Built visualizations to highlight Netflix content growth over time.

E-Commerce Customer Behavior Analysis *Python, Pandas, SQL*

- Analyzed customer purchase dataset to understand buying behavior and product demand.
- Used SQL queries to aggregate and extract transactional data.
- Performed exploratory data analysis to identify purchasing patterns.
- Visualized product performance and customer trends.

StockSense – Stock Price Trend Prediction Using Machine Learning *Python, Scikit-learn, Pandas, Flask, HTML, CSS, JavaScript, MySQL*

- Developed a web-based stock price prediction platform using Machine Learning models and historical stock market data.
- Built both frontend and backend modules for stock analysis, prediction, and data visualization.
- Applied data preprocessing and feature engineering to improve prediction accuracy.
- Integrated interactive charts and a responsive user interface for enhanced user experience.

Education

B.Tech in Information Technology 2022 – 2026
College of Engineering & Management, Kolaghat
CGPA: 6.37

Class XII (West Bengal Board) 2022
Score: 90.8%

Class X (West Bengal Board) 2020
Score: 75.29%

Additional Information

Achievements

- Ranked among the **Top 10 students** in class.
- Received academic scholarship.
